Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Friday 16 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and very warm.

Today:
A bright day with good sunny spells, the best of these through the Lothians and Borders. A little more cloud around than previous days, particularly through Dumfries and Galloway this morning. Very warm in the sunshine and winds light. Maximum temperature 25 deg C (77 deg F).

Tonight:
A fine end to the day and staying dry and mainly clear overnight, although some low cloud and mist could push into Galloway. Minimum temperature 10 deg C (50 deg F).

Saturday:
Any low cloud and mist will soon clear to leave another dry and bright day with plenty of sunshine expected. Warm or very warm and winds moderate from the west. Maximum temperature 24 deg C (75 deg F).

Outlook for Sunday to Tuesday:
Staying mainly dry and settled, although a little light and patchy rain possible early on Monday. Bright or sunny spells developing widely, warm or very warm in any sunshine.
